Hi Carla,

This email is a follow up to the voice mail I just left.

1. I want to let you know that the November 18 public meeting has been canceled. It conflicts with another event that one of the community groups is holding. EPA is looking to reschedule for January, but we'll of course let you know once that's closer to being finalized.
2. The "agreement" would be easier to explain by phone. I'm free today until 3p, if you'd like to call.

Thanks!

Best,  
 Leo

Steve:  
 Are EPA & the East Chicago Housing Authority close to an agreement on monitoring the demo of West Calumet?

Thanks,  
 Carla
